Hi Michael,

We have yet another request from HQ regarding sites that have achieved CC, but not yet achieved SWRAU. They created high-level categories for reasons why these sites have not achieved SWRAU (Columns T through Z). Can you please review the categories they selected for your 3 sites that were evaluated (Advanced Micro Devices, Intersil/Siemens, and TRW Microwave), and let me know if they categorized them properly, or if you have any changes you'd like to make?

Thanks,
Cynthia
